The Senior Promenade

On June 12, 1959, the Taft Senior Promenade was held in the Red Lacquer Room of The Palmer House. From 9 to 12 they danced to the strains of Don Caron's band. Afterwards the seniors and their dates scattered to the various night spots in and around Chicago.

Our thanks go to Miss Marquardt for an excellent job in making the necessary preparations.

The Winners

Kenneth Erikson (senior) and Douglas Thornton (junior) won top honors in the 9th Annual Chicago Public School Science Fair at the Museum of Science and Industry.

The Fair closed on Sunday, April 19, after displaying 214 final exhibits which were chosen from more than 3,000 science projects prepared by high school and upper grade elementary students.

Erikson and Thornton received the \$100.00 U. S. Bond designating them as the top contestants for the year. In addition to this, they were presented two gold keys for excelling in their particular category.
